

SUPREME COURT RULES FOR DISTRICT

The Texas Supreme Court announced Wednesday its decision to refuse to grant the application for Writ of Error in the lawsuit against the Hamlin Hospital District filed by a group of Jones County taxpayers.

The effect of the Court's ruling was to agree with the 11th Court of Civil Appeals in Eastland and the Supreme Court will not hear the case.

Frank Scarborough of Abilene, attorney for

the taxpayers in the Southern part of Jones County who filed the suit, has 15 days to file for a re-hearing in the case.

The opinion issued June 24 in the 11th Court of Civil Appeals stated that, "defendants argue the court properly entered judgment notwithstanding the verdict because the determination of the boundaries in the instant case is a 'political question' solely within the power, prerogative and discretion of the legislature and is not justiciable under the

Equal Protection Clause of the Fourteenth Amendment. We agree."

The ruling signed by Austin McCloud, chief justice of the 11th Civil Appeals Court said, "We have considered all of the plaintiffs' points and they are all overruled. The judgment of the trial court is affirmed."

The Texas Supreme Court agreed with this decision in their refusal to grant the application for Writ of Error.

The Hamlin Hospital District first received a favorable ruling in the case in February when 104th District Court Judge J. Neil Daniel ruled in favor of the hospital district, overruling a jury verdict which had favored the taxpayers.

Plaintiffs in the suit are C. E. Carter, Leon Kelso, Frank Carter, Henry Ueckert, Darwin Hill and Carl Jackson. They sued the Hamlin Hospital District and its board of directors, plus the state attorney general.

READY FOR CONCERT—Johnny Chase, left, who will be featured at the annual Christmas concert playing the solo "Johnny Learns to Play," points to an advertisement poster held by Susie Montoya, first chair clarinet in the junior high school band, who smiles at Johnny's expression. Tony Wright, right, narrator for the number, reads the script during a rehearsal of the music. All Hamlin bands will be featured at the Dec. 9 7:30 p.m. performance in the elementary gymnasium-auditorium.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Although the Pipers' football season came to an abrupt end Friday night when they lost the Regional game to Seagraves, the season was a good one. Twelve games is a long season and there were not many of the state's over 1,000 teams still playing football last week. In fact, out of the more than 200 Class A teams only 16 were left going into last week's playoffs.

We visited after the game Friday night with Spike Dikes, assistant coach for the Texas Longhorns and he pointed out one of the sad facts about the playoff system. He noted that no matter how great a season you have, if you don't win the state championship, the season ends on a sour note.

You have a hard time remembering that you were the district champions and won the bi-district title for remembering that you got beat in your final game. This holds true right up to the final championship game. Although there can only be one state champion, there are still a lot of teams that have great seasons and very successful years. And the Pipers can be numbered in that bunch.

Now in the scheme of things that never seems to let the pressure off of the high school athletes that strive for the top, it is time to start basketball and the first district game will be played Tuesday.

We love to see our youngsters compete in all of the sports as much as anyone else but we sometimes wonder if we adults don't overdo it at times. Sometimes we wonder if as adults we don't try to transfer all of our shortcomings and failures over on the backs of our community's kids in the hopes that it will help our bruised egos. We seem to start this in Little League and never let up.

How many of us felt that the team and the coaches let us down the other night when in truth how many of us ever played on a team that won district, much less played

Fisher County Diapause Program Being Launched

Due to an estimated 2.2 million dollar loss from cotton yields from boll weevil damage, a diapause weevil program has been planned for Fisher County, according to Richard Spencer, County Extension Agent.

The program is being governed by 28 producers elected from seven gins in Fisher County. Officers for the Association are: Stanley Nowlin of Rotan, chairman, Garland Moore of Roby, vice chairman; Artis Stephens of Longworth, secretary; and Morris Guelker of Busby, treasurer.

The group anticipates a cost of \$1.50 per ground acre per spraying. Six sprayings will probably be required which will run the total bill to \$9.00 per ground acre.

The group is seeking 100 per cent participation of cotton producers. Sign up forms have been placed in all

the gins for producers convenience. All producers are urged to go by their gin and read the pledge and sign it.

The board will require one-third of the total cost by May 1, 1977, and the remainder to be paid by July 15, 1977.

Someone at the gins will be able to answer additional questions about the program, according to Spencer.

Scouts Change Meeting Night

Sammy Ferguson, Scoutmaster of the Hamlin Boy Scouts, announced that meetings will now be held on Tuesdays from 7 to 8 p.m. Meetings had previously been held on Mondays.

This week only, the Boy Scouts will meet at the Scout Hut from 6 to 8 p.m. Mike Lemley will present a class on first aid, Ferguson said.

The Jones County Home Demonstration Council Christmas party will be Friday in Anson at the Lions Club Building. Registration starts at 9:30 a.m.

Visitors in the home of Mr. and Mrs. L. J. Cunningham were their children, Mr. and Mrs. Jay Cunningham, Melinda, Mark and Michelle of Richardson and Mr. and Mrs. Joe Sublett of Abilene.

Scouts to Sell Christmas Trees

As a service to the Hamlin community, the Boy Scouts will again be selling Christmas trees this season, said Sammy Ferguson, local Scoutmaster.

By purchasing a Christmas tree from the scouts, everyone will be contributing to local troops, Ferguson adds.

District Basketball Play Opens Tuesday At Rotan

With the extended football season coming to an end Friday, the basketball season will open with a fury this week for Hamlin. Both the varsity girls and boys teams will play in the Anson Tournament this weekend and then open District 7-A play at Rotan Tuesday.

Because of the football playoffs, the girls team, coached by Miss Bettye Jo Davis, has the jump on the boys team, coached by Keith Barrick. The girls won the Stamford Tournament week before last and went into a Tuesday night game this

week at Jim Ned with a 4-0 record while the Jim Ned game was to be the season opener for the boys.

Both teams will open tourney play at Anson with Albany with the girls playing at 10 a.m. today (Thursday) and the boys playing at 11:30. The winners of the Hamlin-Albany games will play the winners of the Reagan County-Colorado City games in the second round. Finals in the tournament will be held Saturday evening.

A four game schedule is on tap for the district opener Tuesday at Rotan with the

junior varsity girls opening the night's games at 4 p.m. They will be followed by the boys JV teams, then the varsity girls and then the varsity boys.

As with football, this will be a new set of opponents for the Pipers this season as they find themselves competing in a new district because of their drop to Class A. Aspermont and Crowell tied for the boys district title last year with Crowell defeating the Hornets in a playoff game and advancing into the playoffs. Crowell also won the girls title with Paducah

taking second place.

Hamlin will play three district games before the Christmas holidays, playing Rotan Tuesday, Aspermont Dec. 14 and Haskell Dec. 20. District play will move into full swing following the holidays with the first game set for Knox City Jan. 4 and continue through the final district game with Paducah on Feb. 8.

Both the boys and girls will play in their three allotted tournaments this season with the girls having already played in the Stamford tourney. They will play at

Anson this weekend and then will play at Aspermont the weekend of Dec. 16. The boys will play in both the Anson and Aspermont tourneys and then will play in the Hardin-Simmons boys tournament during the Christmas holidays.

The junior varsity teams will play in two tournaments. The first will be at Knox City the weekend of Dec. 16 and the second will be in their own tourney set for the weekend of Feb. 3. One change for the junior varsity schedule this year will be, with the exception of the Rotan games,

the boys and girls JV's will alternate playing. Both teams will play in the two Rotan games.

The junior high teams, seventh and eighth grade boys and girls, opened play last week at Anson and will play a nine game schedule plus two tournaments. The junior high games will be on Monday nights and the first game will start at 4. All four teams will play in the Aspermont Junior High tourney Jan. 13-15, and the eighth grade boys and girls will play in the Anson tourney Jan. 20-22.

SERVE COFFEE CAKE FOR CHRISTMAS BREAKFAST—Before digging into that pile of gifts under the Christmas tree, serve your family a nutritious breakfast that includes Butter-Rich Coffee Cake, says the Texas Department of Agriculture home economist. Layers of pecans and coconut and a peach preserve glaze made it a special holiday treat.

Texas Department of Agriculture - John C. White, Commissioner

BUTTER-RICH COFFEE CAKE

3 cups flour, sifted
4 tsp. baking powder
1/2 tsp. salt
2 tsp. lemon rind, grated
1/2 cup butter or margarine
1 cup sugar

3 eggs
1 tsp. vanilla
1/2 cup milk
1/2 cup peach preserves
1 cup flaked coconut
1 cup pecans, chopped

Sift together flour, baking powder and salt. Stir in lemon rind and set aside. Cream butter and sugar, beating well. Add eggs one at a time, beating well after each addition. Add vanilla. Combine milk and peach preserves. Add alternately with dry ingredients to creamed mixture, blending well after each addition. Spread 1/3 of the batter over the bottom of a buttered and floured 10-inch tube pan. Sprinkle 1/2 cup coconut and 1/2 cup pecans over batter, not quite to edge of pan. Top with half of remaining batter; sprinkle remaining coconut and pecans over batter. Cover with remaining batter. Bake at 350 degrees for 40 to 45 minutes. Cool in pan for 10 minutes; remove from pan. Top with Peach Glaze. Yield: one 10-inch cake.

PEACH GLAZE

1/2 cup peach preserves
1 Tbsp. water
1-1/2 cups powdered sugar, sifted
1/2 cup flaked coconut

Heat preserves and water in small saucepan. Remove from heat; stir in powdered sugar. Spread over top of warm cake, allowing glaze to drip over sides. Sprinkle coconut over top.

professional football became the favorite weekend TV fare.

Because we are usually in the press box during the games it gives us the opportunity to be on the other team's side of the field during most of the out of town games. And the fans appear about the same everywhere.

The paradox of this is that on almost any Sunday you can see a highly paid professional athlete make the same mistake that your next door neighbor's kid made on Friday night. As a parent who has seen his own children suffer the heartbreak of defeat we find it very difficult to understand how some people can be so critical of 16-, 17- and 18-year-olds.

Well so much for the sermon. Let's get out the round ball and get in out of this cold weather.

And speaking of weather — if it is this cold in November, what is it going to be like in January and February, when we normally have winter?

"REMEMBER, GRANDPA, WHEN..."

How Grandpa loves to hear that young voice say those magic words that mean, "We had good times together! I appreciate all the wonderful things you did for me when you were younger and able." Old folks love attention. They need it. They deserve to have it. They've spent their lives helping us, many times at the expense of their own desires and plans.

God commands us in Leviticus 19:32: "Thou shalt rise up before the hoary head, and honour the face of the old man, and fear thy God. I am the Lord."

Honor the older ones, too, by attending church this week and taking them with you.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

for the regional championship in any sport?

This is not to say that we should not encourage our youngsters to do their very best and to go as far as they can, but still we should remember that it is the kids that put in all the hours of work and take all of the aches and pains.

We have probably mentioned this before but we still believe that professional football on television has done more to hurt the relationship between the players and fans at the high school level more than anything else. We don't recall the fan abuse of players and coaches that exists today before

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

The above-named City proposes to request the U.S. Department of Housing and Urban Development to release Federal funds under Title I of the Housing and Community Development Act of 1974 (PL 93-383) to be used for the following project:

Water Treatment Plant Improvements
To Recover Backwash Water
S.W. 6th Between S.W. A and S.W. B
\$29,000.

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and, accordingly, the above-named City has decided not to prepare an Environmental Impact Statement under National Environmental Policy Act of 1969 (PL 91-190). The reasons for such

Neinda Philosopher Claims Congress Has Something To Howl About On Korean Deal

Philosopher sympathizes with Congress this week, if you want to put it that way.

Dear editor:

People are always complaining about what happens to their tax dollar when it goes to Washington. "We send a dollar there and get about fifty cents back," they say. States and cities are even louder in their complaints, some big cities actually figuring it up and finding that of all the money they send to Washington each year they get back about a third in services and revenue-sharing.

As far as I know the complaints may be legitimate, however forlorn, but if you think cities and states have something to howl about, look at Congress.

In the last ten years Congress has given South Korea eleven billion dollars in military and economic aid, and how much has Congress gotten back? A measly million and a half dollars. And that didn't go to all Congressmen, just to a select number of maneuverable ones who had a use for some ready cash. Sometimes it

decision not to prepare such Statement are as follows: The city's Community Development Program is considered a necessary program to enhance the local environment and is in accordance with National, State, and local environmental standards and goals.

An Environmental Review Record respecting the within project has been made by the above-named City which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request, at City Hall, between the hours of 8 a.m. and 5 p.m.

No further environmental review of such project is proposed to be conducted, prior to the request for release of Federal funds.

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City of the office of the undersigned. Such written comments should be received at the address specified on or before Dec. 9, 1976. All such comments so received will be considered and the City will not request the release of Federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.

Robert Fowler, Mayor

didn't even go to them, it went to their wives.

When it comes to getting the best end of a tax deal, South Korea is so far ahead of Washington that Congress ought to be sending some of its members over there to study the system. "What pikers we've been," they must be saying. "Here we keep only half of the tax money New York sends us, but South Korea is keeping 99 per cent of what we send them."

And hard-pressed cities must be saying: "We see where we made our mistake. We've been sending our tax money to Washington by check when we should have been using cash."

Naturally, after the news has come out that South Koreans have been handing envelopes full of cash to certain Congressmen, there will be a demand for a law against it, just as huge cash donations by big corporations to U. S. Presidential candidates produced a law against that.

However, bear in mind that Congress wasn't born yesterday. It may pass a bill outlawing gifts from South Korea and put a stop to that, but remember there are over 250 other countries on earth.

Some people say it's love that makes the world go around. Others say it's cash. Yours faithfully,
J.A.

Pipers Fall to Seagraves In Regional, 34-0

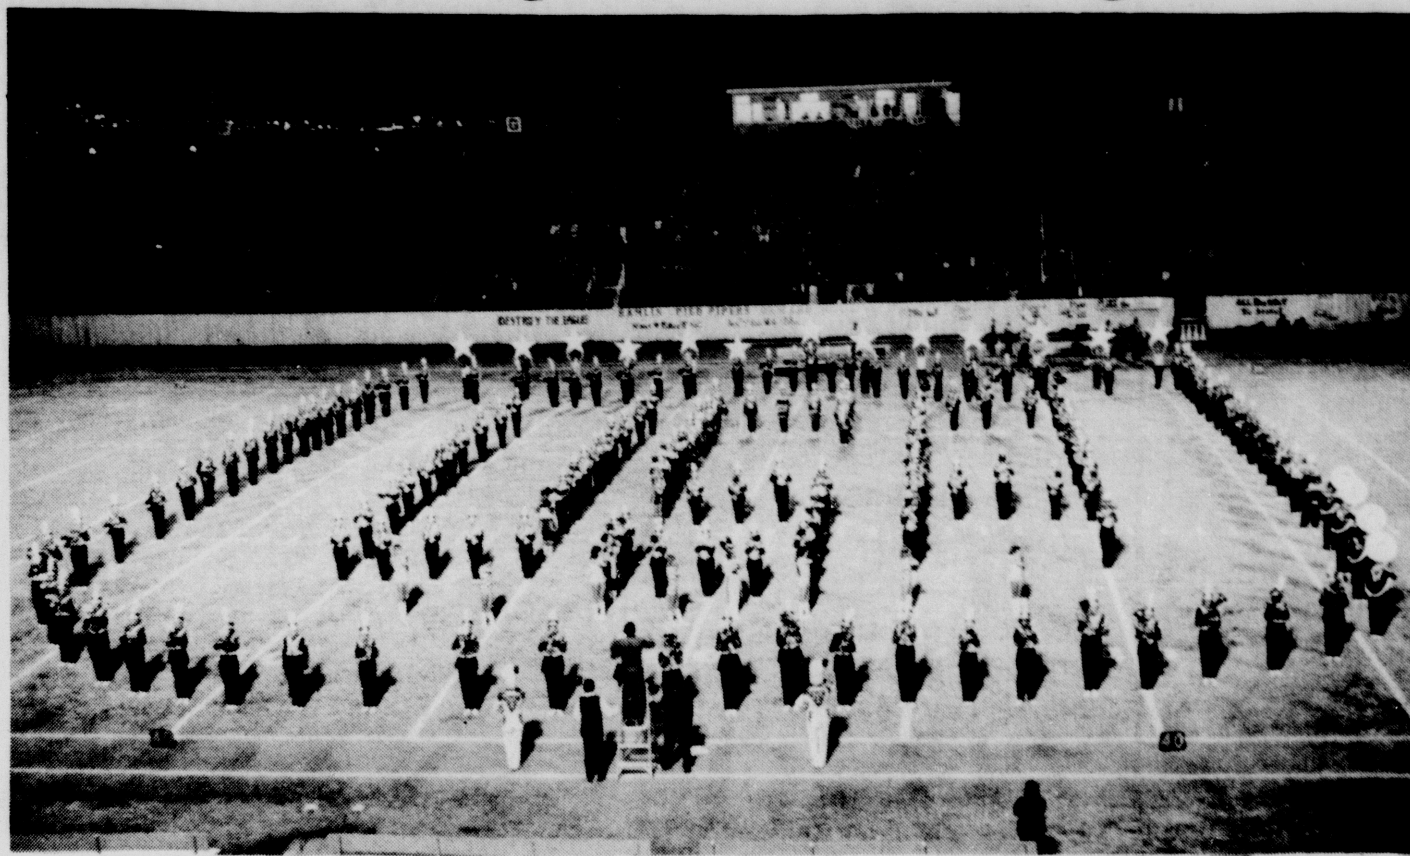

Too many mistakes and a well balanced running attack by the Seagraves Eagles were more than the Pipers could overcome in their bid for a Class A regional Championship in Big Spring Friday night as the Pipers lost to the Eagles, 34-0.

Four of the five Seagraves touchdowns came after Piper turnovers, three fumbles and a pass interception.

For the most part Hamlin's 34-0 loss to the Eagles was a case of playing too much defense as the offense could not move the football with any consistency against the Eagles. In spite of giving up five touchdowns and 332 yards rushing, the Piper defense did a better job of containing the Eagles than these statistics would indicate. Most of the Eagle's yardage came in spurts and when their big backs got into the secondary they ate up big chunks of yardage.

An indication of this was that Seagraves was forced to punt six times during the contest.

One of the bright spots for the Pipers was the punting of sophomore Vance Lakey. Although he had two short punts into a strong north wind that carried for only 13 and 16 yards he still had a 31.6 yard average on nine punts. Out of the nine punts, he had four inside the Seagraves 10-yard line. His best one of the night was a 64-yarder that rolled

AT PRE-GAME CEREMONY—The Hamlin and Seagraves band combined to present a joint pre-game ceremony at the Regional playoff football game at Big Spring Friday evening. The Seagraves band formed the outline for the shield emblem while the

Hamlin band members formed USA in the center. Hamlin flag bearers joined the Seagraves group in holding the huge white stars in the air during the playing of the National Anthem.

dead on the Seagraves two-yard line.

Top ground gainer of the night was Seagraves' Clarence Davis who rushed for 153 yards in 13 tries and scored three touchdowns. Both Mike Hoover and Steve McCormick carried the ball 15 times for the Eagles with Hoover gaining 98 yards and McCormick picking up 84 yards and two touchdowns.

Delbert Thompson was the top ground gainer for the Pipers with 77 yards in 24 carries.

The Eagles returned the opening kickoff to their own 30-yard line and in three plays could manage only two yards and were forced to punt. But this punt could have been the turning point in the game as the Pipers fumbled it with Seagraves taking over on the Hamlin 38.

It took the Eagles only five plays to take advantage of the Piper mistake with Davis scoring from the five. His kick was good to give the

Eagles a 7-0 lead with 8:50 left in the first period.

Following the kickoff the Pipers moved from their own 27 to the Eagle 46 before calling upon Lakey to punt. His punt carried to the Seagraves seven-yard line. The Eagles could manage only three yards in three plays and had to punt back to the Pipers.

Taking over on the Eagles 49, the Pipers picked up 11 yards on a carry by Thompson but it was called back and the Pipers lost yardage back to their own 48 on a penalty. Four plays later Lakey punted from his own 39.

Seagraves drove from their own 30 to the Hamlin 34 before two 15-yard penalties and two running plays that lost yardage forced them to punt from their own 32.

Taking over on their own 37, the Pipers gained 10 yards on a carry by Thompson but he lost the ball with Seagraves recovering on the Hamlin 47. Six plays later

Davis broke loose for 41 yards and the Eagles' second touchdown. The big back appeared to be down several times but kept breaking loose. The fake kick was no good and the Eagles led 13-0 with 9:07 left

in the first half.

The Pipers failed to make a first down and punted again with Seagraves taking over on their own 31. Aided by a 15-yard penalty against the Pipers the Eagles moved down to the Hamlin 31 before fumbling. The Pipers picked up two first downs and moved into Seagraves territory before being forced to punt again from the Eagle 40. The first half ended with the Eagles on their own 23.

The Pipers took the second half kickoff on their own 20 and moved out to the Seagraves 46 before losing their third fumble of the night.

Taking over on their own 46, the Eagles broke Davis loose again with the big back going the 54 yards for the score. The two-point pass play was complete to give the Eagles a 21-0 lead with 10:24 left in the third period.

Hamlin failed to gain a first down following the kickoff and punted to the Seagraves 44. Hoover broke loose for a 40-yard gain to the Hamlin four and McCormick carried in on the next play. Davis kicked the point after with 8:09 left in the third period.

Mike Hymer picked up a Hamlin first down at the Seagraves 47 following the kickoff but the Pipers could not keep the drive alive and Lakey punted 13 yards into the strong north wind. Seagraves fumbled with Hamlin recovering on the Eagle 36 to give them their deepest penetration of the night.

But the Pipers could not move the ball and Lakey was called upon to punt again. He punted to the Eagle 5. The two teams exchanged punts with Hamlin ending up with the ball back on their own 25.

The Pipers picked up a first down on a pass from Drew Tomlinson to Charles Brown at the 35 but the next pass attempt was picked off by Seagraves at the Hamlin 39. Four plays later McCormick scored from the 21. The kick was blocked by the Pipers and the Eagles had 34 points on the board with 6:27 left in the game.

After an exchange of punts, the Eagles intercepted their second pass of the night at their own 31 and ran out the clock to take the Regional Championship trophy and the right to meet Hart in the Quarter Finals Friday in Lubbock.
